Dear Judge Durkin:

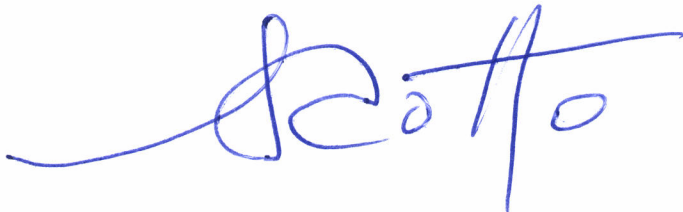

The city of Chicago has proven itself to be one that is rife with deviants who seek to prey upon the young. When will it end? I hope you use the wisdom given you by our Creator to make Denny Hastert an example for the rest to follow.

In the book of Matthew 26:53, they speak of 12 legions of angels who act of a protectorate of the righteous martyrs of Christ.

Revelation chapter 7 mentions the 144,000 with the Lord's seal upon their foreheads. I think it will be more like 1,053,000. A difference of 909,000.

God bless you and yours as you prepare for April 27<sup>th</sup>.

Kindest personal regards,

--Scott Andrew Horning
